## Eromanga Extra

If you have any news you would like to add to the 'Eromanga Extra' please contact the school.

March 2014

### From the Principal:

Welcome to our second edition of the Eromanga Extra for 2014!

Wasn't it a wonderful sight to see the rain visit us! I hope that this gives some relief to everyone who is struggling with this terrible drought.

It was fantastic to see the "Buy a Bale" Campaign visiting Eromanga. A huge thankyou must go to the organisers of such a wonderful initiative.

Again the term is flying and we are already well into week 7 with only 3 more weeks to go until the end of the term. It will be heads down pencils up here at the school!

The year is looking to be very busy, please see the date claimers on the right hand side to see what is happening in our community.

The Eromanga State School are working hard to instil a solid work and behaviour ethic into the students. High expectations and consistency of practice has been instilled in the staff and students of the school. This is an exciting time as it allows for growth and development with our purpose of maximising results both academically, behaviourally and personally! The kids have been working extremely hard this term. It is extremely rewarding for all involved when you see the kids reaching their goals and broadening their smiles.

I will leave you with a little quote I found whilst I have been studying lately. I must admit this got me thinking about a range of situations in everyday contexts ( both human and animal)

I am interested to hear your thought on this!

*"If you would help me, don't try to change me to fit your world. Don't try to confine me to some tiny part of the world that you can change to fit me. Grant me the dignity of meeting me on my own terms – recognise that we are all equally alien to each other, and that my ways of being are not merely damaged versions of yours. Question your assumptions. Define your terms. Work with me to build more bridges between us."*

**Yours in Education,**

**Rachael McWaters**

**A/Principal**

Will a potato grow in a dark shoebox? Does it follow a small glimmer of light?.....watch this space for our experiment results!
